FEAUTERS

Magnet Test is a credible test to distinguish IMPERIAL Kitchen Sinks from their competitors in the market. IMPERIAL Sinks are guaranteed non-magnetic..

IMPERIAL Kitchen Sinks are manufactured using Stainless Steel Sheets.

All IMPERIAL Sinks come with a LIFETIME WARRANTY that ensure an everlasting peace of mind.

Sinks ensure greater resistance to rusting and corrosion due to the authentic selection of raw material.

MATT
GLOSS

IMPERIAL Kitchen Sinks come with options for Matte and Gloss finish. The matte finish gives your kitchen a rustic yet contemporary look and blends in with any décor setting. The mirror-like glossy finish sheds water rapidly, resists spotting, and adds a pristine sparkle to your kitchen..

HANDMADE
DOUBLE
DRAWN

Hydraulic Sinks undergo annealing and are drawn twice for extra ductility, resilience, and durability. Handmade Sinks are skilfully handcrafted, prioritizing volume.

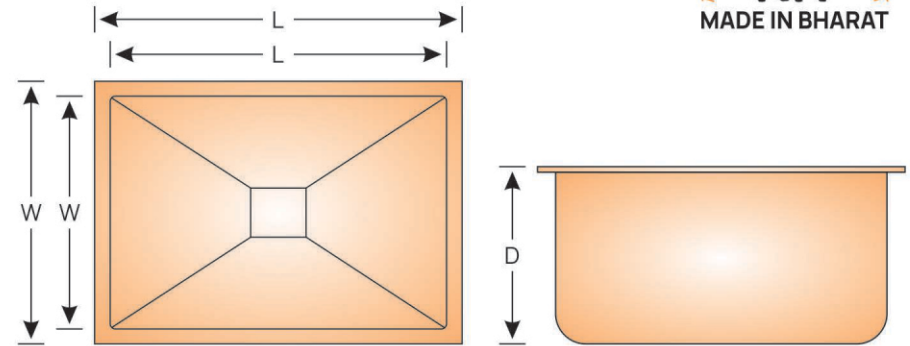

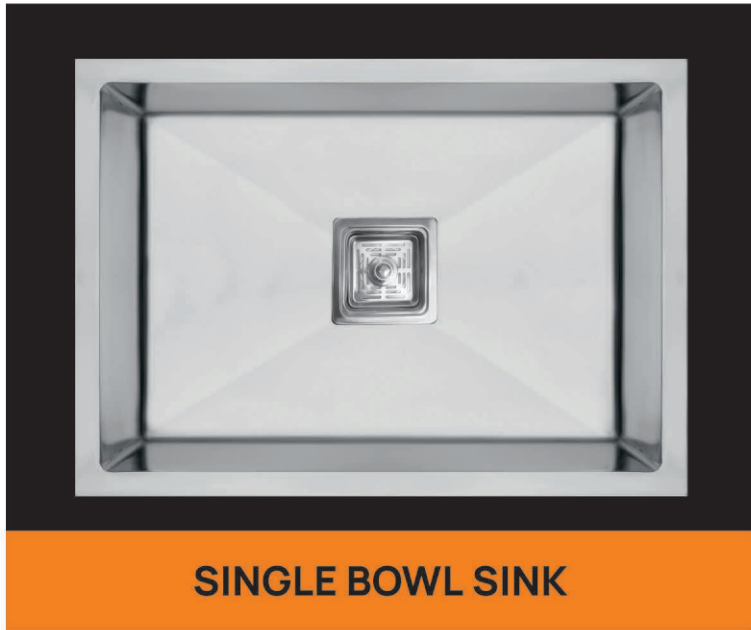

Unlike our competitors in the market, we at IMPERIAL do not increase the weight of the sink by sticking heavy pads underneath it, we use 4mm thick weightless foam pads to improve the sound dampening effect.
