| Thermal Expansion           | Max. 9E-06                       | CONFORMS                                                                                    |

> PACKING DETAILS

| Size      | Thickness<br>(approx) | Tiles / Box | Coverage<br>Area / Box | Wt. of Box<br>(approx) |
|-----------|-----------------------|-------------|------------------------|------------------------|
| 300x600mm | 9.5mm                 | 5 pcs.      | 0.90 sq. mtr.          | 14.5 kgs.              |

Note :

1.Certain amount of size and shade variation is inherent in all ceramic products.

2.Our conformity to the above Fast is applicable only for Quality.

3.Colour shown are as accurate as the limitations of the printing process will allow. Prospective customers are advised to inspect a sample of the tile before ordering. Every effort has been made to ensure the accuracy of the information given. However the company reserve the right to change the specification without prior notice. Sometimes variations in shade or size being inherent to ceramic industry may occur. It is suggest to check the tiles before purchase any laying as the company dose not accept responsibility once the tiles are laid.
